Corporate Flag Flying Policy

1. Introduction

It is expected that flags will be flown to commemorate and acknowledge specific occasions and at times, flown at half-mast in respect of the fallen and/or recently deceased. There is national and local pride in flying a flag in respect of visiting dignitaries, which helps fulfil the College's civic responsibilities.

2. Purpose and Aims

The flying of flags must be compliant with all appropriate Planning Regulations and advice should be sought from Glasgow City Council's Planning Department to ensure consent is sought as and when required.

This policy outlines the criteria for the flying of flags at the City of Glasgow College via the three flagpoles at the main entrance to City Campus, the three flagpoles at the main entrance to Riverside Campus on the Clyde Walkway, and the flag mast (yardarm) in the garden area of Riverside.

3. Scope

The policy applies to those service areas responsible for ensuring that the relevant flags are flown to commemorate, celebrate and acknowledge specific occasions.

This policy applies to all staff, students and visitors to the College or to an event organised by the College at an external venue.

4. Policy Statement

- 4.1. This policy provides a corporate approach to the flying of flags at City of Glasgow College, incorporating City Campus and Riverside Campus and any other key locations where City of Glasgow College are hosting external events.
- 4.2. All requests to fly flags from the main flagpoles must be made to the Vice Principal, Corporate Development and Innovation, and any exceptions to the policy must be authorised by the Vice Principal. Flags signal the College's position on issues and accordingly, decisions on all requests will be determined by the objective of ensuring there is full alignment with the College's values.

The Saltire and College Purple Branded Flag will be flown every day at City Campus.

The Merchant Navy Flag, The Saltire, and College Purple Branded Flag will be flown every day at Riverside Campus.

Other importance will be given to National events such as:

- Coronations
- State Funerals
- Global Events
- College Events

- 4.3. Compliance with the Policy is required to avoid any reputational damage for the College and to ensure that the College is able to demonstrate its commitment to commemorate and celebrate national and local events

This policy is implemented to clarify current arrangements and provide a consistent response to future requests and will be published on MyConnect.

5. Schedule
