

# School Of

## WELCOME

Welcome to the School of Creative Industries. The following pages give brief details of our courses. Full details for all courses can be found on our website.

Some of our courses require you to attend for an interview and/or submit a portfolio or examples of your work. Portfolio guidance notes are available on the website. All course entry is subject to the outcome of discussion at the interview. If you don't have the required qualifications, we'll consider you for a place based on your experience - contact course leaders for more information.

Students studying for a two year HND can choose to leave after one year of study with an HNC.

Once you've finished your course, you have the option to move on to a higher level course:

- **NC/NQ - Apply for HNC/HND courses at the college**
- **HNC/D - Apply for degree level courses**

Alternatively, you can go into related employment.

Below we've given you some examples of the career options available if you complete one of our creative industries courses:

**Photographer in Advertising, Commercial, Press and Photojournalism, Fashion, Sports, Social, Medical, Scientific and Education Photography, Technical Assistants, Self Employment, Artist/Printmaker/Designer, Print Technician, Print Journalism (Local, Community and National Newspapers and Magazines), Broadcast and Online Journalism, Public Relations and Communications, Theatre, Television, Community Drama, and Theatre Production, Creative Writing, Freelance Writing, Script Editing, Scriptwriting, Television and Radio Production, Video Production.**

Full details on opportunities available after you've completed your course are available on the website:
