It sets out the reports and presentations expected at each meeting, identifying the subject, responsible lead, report type and action required.
- 3.2.** While the Schedule of Business outlines anticipated and planned activity for the year, members should note and be assured that this schedule will remain adaptable to emergent issues and business within the remit of the Committee as necessary.

4. Impact and Implications

- 4.1.** Having in place an agreed Schedule of Business helps balance the necessary activity and approvals of the Committee over the course of the academic year, ensures Board members are aware of expected business and supports the College's officers to prepare reports within the required timescales.
