## Do's and Don'ts:

- A single slide can contain multiple images, especially for research & development. A slide can also contain one 'hero' image of a quality artwork.
- Only include life drawing if it is of exemplary quality.
- Include dimensions and materials, and any artwork titles.
- Video/film or sound pieces can be uploaded as a working link.
- Include your most up to date work, preferably from the last year i.e. no schoolwork
- Post clear, well-lit images that allow staff to see the potential within your work.

Good Luck!
