1. Recommendations

- 1.1. To discuss the Strategic Risk Register for risks reported to the Committee, agreeing to recommend any changes to the Board of Management for final approval.
- 1.2. To note the Risk Management Action Plans for risks reported to the Committee.

2. Consultation

- 2.1.** All strategic risk owners were consulted during the latest quarterly review.

3. Key Insights

- 3.1.** Risk management is a key component of the College's internal control and governance arrangements and, as such, is an important responsibility of the Board of Management, the Executive Leadership Team (ELT) and the Senior Management Team (SMT). Final approval of the Strategic Risk register is reserved to the Board and the Audit & Assurance Committee has oversight over the College's risk management approach.
- 3.2.** ELT and SMT members are invited to review the risks they own on a quarterly basis. This is to ensure that the College, our Board and its committees, remain aware of any changes in the risk environment and that our risk management plans remain up-to-date and effective. Committees review the risks that are within their remit and recommend any changes to the Board for final approval.
- 3.3.** The Strategic Risk Register and the MAPs are enclosed for the Committee's consideration and approval of members. Five strategic risks are reported to the Committee. No changes to risk scores are proposed in this review.

4. Impact and Implications

- 4.1.** The effective management, control and mitigation of risks are essential to the College's institutional and financial sustainability, compliance, reputation and future growth.

SR6	Negative impact upon the College's reputation	VPCDI	<p>There is a risk of a negative impact upon the College's reputation due to several factors, including failure to protect and maintain our brand, complaints upheld by the SPSO, significant breaches of College policies and procedures, and instances of gross misconduct by staff members.</p> <p>To treat this risk, the College maintains regular communication with staff, students and stakeholders through internal/external channels and receives monitoring and advice from a public affairs consultancy. The College ensures the availability and communication of the Complaints Procedure to employees, conducts training on policies/legal requirements. Management monitoring is supported through internal/external auditors. The College emphasises values and behaviours, supported by robust policies and procedures.</p>	<p>Aug '25: From January to June 2025, our global social media presence grew in both reach and engagement, underpinned by highly positive audience sentiment and strong participation in engagement activities and open days for prospective students.
