

## How to Join Your Course at City of Glasgow College

Welcome to City of Glasgow College. As you know it is important that we continue to apply social distancing in buildings and on public transport for now. This means that we will have a combination of online and on campus classes/study, for 2020/21.

The first meeting of your class will be online for induction and orientation. It is essential that you attend as you will be given your timetable, meet your lecturers and class group and receive important information on the delivery of your course.

You should have received an email with your course start date and time.

**Important:** Please note that if you have a **Conditional Offer** you will be asked to provide evidence that you have met the conditions of offer before completing enrolment.

### What you need to do now.

- If you have not pre-enrolled you MUST [Log in](#) to your account and do this now.
- Put the meeting date in your diary.
- Login to join your class in plenty of time. You may have to create a Zoom account if you do not have one already.

If you no longer want your course place or if you can't attend on the above date, email us at [applications@cityofglasgowcollege.ac.uk](mailto:applications@cityofglasgowcollege.ac.uk) **immediately**. If you don't attend and don't let us know we may offer your place to someone else.
