Empowering Scotland's workforce through language and culture

*Helping businesses grow through bespoke,  
practical language training – delivered by a  
team of experts with global experience.*

# Why Choose City of Glasgow College for Your Language Training?

At City of Glasgow College, Languages for Business and Industry programmes are delivered by a skilled, multilingual team, including native speakers. With over 25 years of experience, we have supported learners and professionals across industries with training from beginner to degree level in:

- **French** • **German** • **Italian** • **Spanish**

As well as

- **Basic Portuguese** • **Basic Dutch**

We also offer:

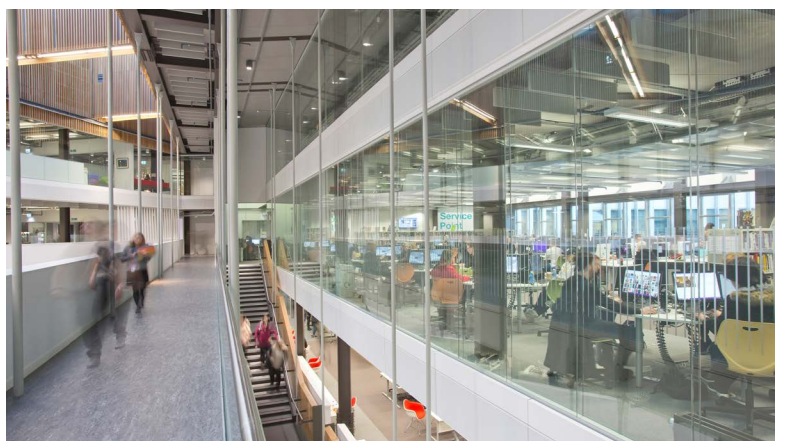

British Sign Language, as introductory courses, or full BSL 1 and BSL 2 qualifications in conjunction with Signature.

Our strength lies in tailoring every course to suit the unique needs of your organisation. Whether you are in construction, hospitality, hairdressing and beauty, financial, engineering, retailing hospitality or tourism, or any other sector.

We can develop customised, relevant learning experiences for your team's complete flexibility. For example, we can offer one day courses or longer courses to meet your needs.

*Key features:*

- **Sector-specific language training**
- **Organisational development for staff**
- **Customised programmes aligned to your industry**
- **Flexible delivery modes**
