Cost: Funding on application

In all of our courses you may gain an SQA Qualification as well as improving your English.

How do I apply?

Already in Glasgow? Please book and pay online at www.cityofglasgowcollege.ac.uk. These courses are eligible for Individual Learning Account.

Outside the UK? You will find details of life as an International student in CoGC by following the link to our international section on our website www.cityofglasgowcollege.ac.uk You should then complete the on-line application.

(The letters and number in brackets indicate the European Qualifications Framework level)

• **ESOL Pre Intermediate (A2)**

This course will develop your English language skills, including more complex reading, writing and speaking tasks.

• **English Intermediate National 4 (B1)**

This course will develop your English through more complex reading, writing and speaking tasks. Students complete a research project and deliver a presentation.

• **ESOL Upper Intermediate for Work (B1+)**

This course will further develop your English language skills in employment contexts, with a focus on developing your confidence in speaking and writing for the workplace.

• **ESOL Upper Intermediate (B2)**

This course will develop the range of your English skills. It also includes an externally assessed exam, SQA ESOL National 5. Successful completion of this course can help you progress to Level 6 NC College courses.

• **ESOL Advanced (C1)**

This course will develop your English skills, with a focus on everyday life, work and study- related contexts. It also includes an externally assessed exam, SQA ESOL Higher. Successful completion of this course can help you progress to Level 7 HN College courses.
