

# OPEN DAY 2019

Welcome to the City of Glasgow College Open Day.

This useful guide will give you an idea of what's on around the building today including talks, demonstrations, tours and where to find the course information you need.

Please feel free to have a look around our excellent facilities; watch our short video in the Lecture Theatre and join a College tour facilitated by our Student Engagement Team.

Our Student Support Team will be based on the 2nd Floor ready to offer careers advice, course applications, student funding and student support.

We hope you will be inspired by the amazing diversity of what goes on at City of Glasgow College. If you need any further guidance please talk to a member of the Events Team who can be located in both Reception areas.
