

## Board of Management Register of Interests

The Model Code of Conduct, required by the Ethical Standards in Public Life etc. (Scotland) Act 2000, was reviewed and reissued by Scottish Ministers in 2021. It sets out the principles and rules governing the conduct of members of devolved public bodies. City of Glasgow College's Board of Management Code of Conduct is based on the model code.

Board members are required to disclose and register any financial or other material interest they, close family or friends, have which might impact their relationship with the College. Members complete the Register of Interests when they are appointed and update their entry whenever circumstances change, and no later than one month after the change occurs.

In completing their entries, Board members are declaring that, to the best of their knowledge and belief, the information provided is correct and that they have declared all interests which could lead to a declarable connection/interest or conflict of interest.

Guidance on the completion of the Register of Interests can be found in Section 4 of the Code of Conduct. Any queries regarding the Register of Interests should be directed to Drew McGowan, College Secretary, by emailing [drew.mcgowan@cityofglasgowcollege.ac.uk](mailto:drew.mcgowan@cityofglasgowcollege.ac.uk).
