Guest of Honour

Jacqueline McLaren
Lord Provost

The Right Honourable Lord Provost Jacqueline McLaren is Glasgow's First Citizen and civic head of the city. She was elected to represent Canal Ward in 2017 as a member of the Scottish National Party, and in 2022 was appointed Lord Provost of Glasgow, a role which also makes her Lord-Lieutenant of the City.

Born and raised in Maryhill, Jacqueline grew up in the Valley area near the Forth and Clyde Canal. Before entering public service, she worked in her partner's legal practice in Partick and previously held roles in retail, including Boots the Chemist and Virgin Records. These early experiences gave her a strong grounding in community values and the importance of service.

Her political career has been shaped by a commitment to empowering local communities, improving opportunities for

young people, and supporting women in politics. She has campaigned on issues such as school transport and youth services, and continues to champion equality and inclusion across the city.

In recognition of her significant contribution to Glasgow and beyond, Lord Provost McLaren was awarded an honorary degree by the University of Strathclyde in 2025 for her impact on civic life and community empowerment.

As Lord Provost, she represents Glasgow at home and abroad, welcoming international visitors, presiding over civic ceremonies, and promoting the city's reputation as a place of innovation, resilience, and opportunity. She remains deeply rooted in her Maryhill upbringing, often describing herself as "an ordinary woman from Glasgow" who is proud to serve the people of her city.

Join Our Alumni Community

Graduation is just the beginning of your journey with City of Glasgow College. As one of our alumni, you'll be joining a vibrant and diverse community that includes Olympic and Commonwealth athletes, inspirational creatives, BAFTA award winners, pioneering business owners, and some of the country's most successful chefs.

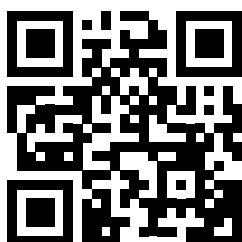

Being part of our alumni network means staying connected to the College and to each other. You'll have access to:

- Events and networking opportunities that bring graduates together across industries and disciplines
- Exhibitions and conferences showcasing innovation, creativity, and thought leadership
- Postgraduate qualifications and professional development programmes to help you continue learning and advancing in your career
- Incub8 Business Incubator – offering high-quality office space at our award-winning City Campus, plus access to expert mentoring in business and innovation

Our alumni community is about more than keeping in touch – it's about opening doors, sharing experiences, and building futures together. Sign up today and be part of our story.
