Guest of Honour

Hadi Al Attar
*School Manager,
Live Language Limited*

Originally from Syria, Hadi Al Attar began studying accounting at Damascus University before the outbreak of war in 2011 forced him to flee. Determined to rebuild his life, he arrived in Glasgow and enrolled in English for Speakers of Other Languages (ESOL), before progressing to an HNC in Accounting at City of Glasgow College in 2015 - 16. The supportive environment - including lecturers Rosie Quin and Pam Turnbull - helped him overcome language barriers and secure a work placement in the college's Accounting department.

Hadi later earned a BA (Hons) in Accounting & Finance from Strathclyde Business School (2019 - 23). After graduating, he excelled in roles such as Assistant Accountant at Sanondaf UK and as a Finance Manager with Live Language in Glasgow and London.

In November 2025, he began an MBA at the University of the West of Scotland, aiming to qualify as a chartered accountant and finance professional.

Hadi speaks passionately about the college's role in rebuilding his confidence: "College gave me the tools but, more importantly, belief. It helped me find out who I was."

His journey culminated in graduating from university after nine years of study and part-time work - a testament to his perseverance.

Now based in Glasgow and working in finance, Hadi credits City of Glasgow College as the crucial launchpad for his success and hopes to inspire others - encapsulated by his belief that "the road to success starts at City of Glasgow College."
