Studio Hire Note	Production Facilities Note
Please note, extra costs will apply if studio hire takes place outwith normal college hours or technical support is required.	Please be aware that City of Glasgow College cannot supply recording media (such as memory cards) with this equipment. Please make sure you have the necessary media and method of importing your footage into your edit before ordering equipment.

*\*For recording video, please make sure your Compact Flash cards have the Class Ten logo on them.*

Insurance is required for all kit hire:
